

tax file number notification

If you wish to provide your Tax File Number (TFN) to AvSuper, please complete this form and send it to AvSuper Admin, PO Box 1140, Wollongong DC NSW 2500. You can also tell us your TFN by calling us on 1300 128 751 after you have read the information on this form.

Under the Superannuation Industry (Supervision) Act 1993, AvSuper is authorised to collect, use and disclose your TFN. We may disclose your TFN to another super provider, when your benefits are being transferred, unless you request, in writing, that your TFN not be disclosed to any other super provider.

Declining to quote your TFN to AvSuper is not an offence. However giving your tax file number to us will have the following advantages:

- we will be able to accept all permitted types of contributions to your account/s;
- other than the tax that may ordinarily apply, you will not pay more tax than you need to for super contributions and payments when you start drawing down your super benefits; and
- it will make it much easier to find different super accounts in your name so that you receive all your superannuation benefits when you retire.

Did you know that once we have your TFN, you can make personal contributions at any time? Not only does each contribution help build your retirement savings, it may qualify you for a Government Co-contribution as well!

Details on how to make a personal contribution and how to qualify for a co-contribution are included in the members section of our website.
