Administration Fee reduction

As a profit-for-members super fund, AvSuper works hard to keep our administration and investment fees as low as possible. From 1 December 2022 the administration fee changed from \$1.15 per week to \$0.50 per week, plus a capped asset-based fee.

Accumulation members will be charged an administration fee of \$26.00 plus 0.19% of their account balance up to a total administration fee of \$1,026 (0.19% asset-based fees capped at \$1,000 plus \$0.50 per week).

Income Stream members will be charged an administration fee of \$26.00 plus 0.17% of their account balance up to a total administration fee of \$1,026 (0.17% asset-based fees capped at \$1,000 plus \$0.50 per week).

For defined benefit members, administration fees are paid by the employer.
