Tax file number (TFN)

Under the Superannuation Industry (Supervision) Act 1993, AvSuper is authorised to collect, use and disclose your TFN. We may disclose your TFN to another super provider, when your benefits are being transferred, unless you request, in writing, that your TFN not be disclosed to any other super provider.

Declining to quote your TFN to AvSuper is not an offence. However giving your tax file number to us will have the following advantages:

- we will be able to accept all permitted types of contributions to your account/s;
- other than the tax that may ordinarily apply, you will not pay more tax than you need to for super contributions and drawdown payments; and
- it will make it much easier to find different super accounts in your name so that you receive all your superannuation when you retire.
